Memorandum of agreement made this 15th day of March 1912, between the Rivers Steam Navigation Company, Limited, a joint stock company, with limited liability, having its registered office at Winchester House, Old Broad Street, London, and the India General Navigation and Railway Company, Limited, a joint stock company with limited liability, having its registered office at Orient House, New Broad Street, London (here inafter called the companies), of the one part and the Secretary of State for India in Council (hereinafter called the Secretary of State) of the other part.

Whereas for the purposes of the construction of a godown and for the purposes subsidiary thereto, such purposes not to include the stocking or depositing of coal, the companies have applied to the Government of Eastern Bengal and Assam for the acquisition under the provisions of the Land Acquisition Act, 1894, of the piece or parcel of land containing 2 bighas, 1 katta, 8 chhataks or thereabout, situated in the district of Sylhet, subdivision Habiganj, purgana Bajusunaita, village Baban Goolma and Bhimsena Nadir Charbharat and more particularly described in the schedule hereto and delineated in the plan hereunto annexed.

And whereas the said Government of Eastern Bengal and Assam, being satisfied by an enquiry held under section 40 of the said Act, that the proposed acquisition is needed for the aforesaid purposes and that the said work is likely to prove useful to the public, has consented to acquire, on behalf of the companies, the piece or parcel of land hereinbefore described.

And whereas the Government of Eastern Bengal and Assam has required the companies under the provisions of section 41 of the abovementioned Act to enter into the agreement with the Secretary of State hereinafter contained. Now this indenture witnesseth that it is hereby agreed and declared as follows:—

- I. On demand the companies shall and will pay to the said Government of Eastern Bengal and Assam all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894, or by the Court to which a reference under Part III of the said Act may be made or by the Court or Courts to which an appeal from the award of the said Court may be preferred, and all costs, charges, and expenses of the proceedings in the aforesaid Courts or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.
- 2. On demand made by the said Collector the obligation of the companies under the last preceding clause not being hereby limited the companies shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.
- 3. On payment by the companies of all demands under the foregoing 1st clause, or, in the discretion of the said Government of Eastern Bengal and Assam (on deposit by the companies of all estimated amounts as provided in the 2nd clause) but not before possession shall have been taken under the provisions of the abovementioned Act, the Secretary of State shall make over possession of the land to the companies and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the companies.
- 4. The said land shall be held by the companies for the purposes of such a godown as is hereinbefore mentioned and for purposes subsidiary thereto and without the sanction in writing of the said Government of Eastern Bengal and Assam first had and obtained for no other purpose whatsoever; and without prejudice to the generality of this condition the companies undertake in particular that coal shall not at any time be stacked or deposited thereon
- 5. The said godown shall be completed (and fully equipped in all respects ready for use) within three years from the date on which possession of the said land shall have been given to the companies.
- 6. Should the said godown not be completed and fully equipped in all respects ready for use within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government of Eastern Bengal and Assam, or should the said land at any time thereafter cease for a period of six consecutive months, to be held and us d, or cease to be required for the purpose or purposes provided for in the foregoing tourth clause, or should it, without the sanction in writing of the said Government of Eastern Bengal and Assam first had and obtained, be used by the

companies for any other purposes than those provided for in the said fourth clause, and, in particular, should it be used for the stacking or depositing of coal, then, and in any such case, the said Government may summarily re-enter upon and take possession of the said land, and thereupon the interest of the companies in the said land shall absolutely cease and determine.

- 7. On taking such possession the said Government may sell or otherwise, deal with the said land as it may think proper. Should the said Government sell the said land, the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the companies. Should the said Government, on taking possession, decide not to sell the land it shall repay to the companies all sums received from the companies in respect of all and every compensation a provided in the foregoing first clause (less the statutory allowance of 15 per cent.), but will not repay any sums paid and received on account of costs, charges, and expenses.
- 8. The public shall be entitled to use the godown on the following terms, vis., for the storage of goods booked for despatch or for delivery to the public by the said companies on payment of the rates in force for the time being in accordance with the rules and regulations of the said companies.
- 9. Should any dispute or difference arise touching or concerning the subject-matter of this agreement or any covenant clause or thing therein contained, the same shall be referred to the said Government of Eastern Bengal and Assam and the opinion and decision of the said Government upon such dispute or difference shall be final and conclusive and binding on the parties hereto.
